

STARS & STRIPES: Stephenson Equipment and LeeBoy Team Up to Support the Gary Sinise Foundation

Lincolnton, North Carolina July 1, 2020: Two industry leaders, Stephenson Equipment and LeeBoy, are proud to announce a joint effort as we serve our Nation by honoring our defenders, veterans, healthcare professionals, first responders and their families by supporting the Gary Sinise Foundation with an exclusive project.

In July 2020, the first ever “Stars & Stripes” version of a LeeBoy Commercial Asphalt Paver will be formally presented to the family owned and operated paving company, Hoffer Paving, headquartered in Annville, PA. Since 2002, Joe Hoffer (Father) and Joey Hoffer (Son) have operated LeeBoy Asphalt Pavers and been a loyal customer to Stephenson Equipment. In their evaluation of purchasing a new paver, the “Stars & Stripes” opportunity was a perfect way to declare their patriotism, pride and respect for those that willingly sacrifice each day to provide our freedom and security.

A donation will be made to The Gary Sinise Foundation with the proceeds from the sale of the “Stars & Stripes” LeeBoy

8520B Commercial Asphalt Paver. The initial donation stands at \$25,000 and continues to see daily growth due to an online contribution campaign that has been promoted via print, email and social media channels. If you or your company would like to be part of this exciting “Stars & Stripes” Paver project, please [CLICK HERE](#). Donations may be made in honor/in memory of an individual or organization by selecting the dedication checkbox during the online donation process.
